March 2022

<https://github.com/super1-1star/portfolio-website>

- My personal portfolio built and deployed React, React-bootstrap, CSS, Particle.js and react-pdf.

Skills

Strongest Areas

Data Structures, Algorithms, Web Development, Blockchain, Graphics design

OS

Linux, Windows

Languages

Javascript, HTML, CSS, Solidity, C/C++, Python

Libraries/Frameworks

React.js, Redux, Node.js, Express.js, Restful API, Bootstrap, mongoose.js, web.js, jQuery

Database

MongoDB

Soft Skills

Effective communication skill, Problem solving and creative

Others

Git, Github, Figma, Adobe illustrator

Position of Responsibility

The Society of Coders

Core Member

June 2020 - Present

Hack-a-Sol

Web Team Core

September 2020 - April 2021

Comedy Hunt - Technovate

Junior event coordinator

January 2020 - March 2020

Education

B.Tech. in Computer science and Engineering

IIIT NAYA RAIPUR

2019 - 2023

India

AISSCE (XII)

Vikash Residential School, Bargarh

2018

Orissa, India
